For whatever reason, I'm especially susceptible to online romance. If I wasn't attracted to other men, there would be nothing to do and no way to amuse myself. I'll never tell you what I do on the internet, but I can tell you what I *don't* do. In case you were wondering, if you're looking to get a date with a girl who is also a high-five aficionado, don't bother. I don't get out as much as you would think because of my job. Sure, I could go to some bar and stand on a corner hoping to get a random compliment, but it's so much more fun to say hello to my friends over an internet phone call. But when the day comes that I do get out, you'll know just how much my love for high fives is contagious. I never stop so I'll let you in on a little secret. People are kind of weird sometimes. Most people are, for that matter. But no
