-0400Dan get a glimpse of Heat Signature: Shattered Septieme in new screenshots2008-09-24T00:00:00Z

Heat Signature: Shattered Septieme is just as action-packed as its predecessor, Heat Signature, despite moving to a first-person perspective. We've scanned the first screenshots and found some of the game's improvements. It's *so* first person that *every corner* looks truly dangerous. Keep checking back to see more evidence of what the game has to offer. Also, check out more screenshots at the Rumble and Chaos website.
