On a night where the moon is full and the wind is calm, a fire storm rages through your sleepy village. As your family is dying in the fire, a boy with a heart in his hand appears. You finally have the chance to save him, but there are many obstacles and enemies to overcome. On your journey, you will meet familiar faces and strange creatures. You will get to know each other better with your emotions. Bending 2D will transform into 3D and vice versa depending on which animation technique you select. Start your adventure with your faithful companion the Octopus, and with every heart you give him, he will become a friend. The award-winning game was created on the foundation of the 2D side-scrolling platformer genre, combining classic gameplay, story and art to create the essence of the original game. Take control of Cloud and friends in their first adventure and help them escape from a world full of challenges with plenty of items and enemies. Guide Cloud and friends through more than 100 puzzles and level, earning power-ups and abilities along the way. As you progress, collect extra lives and continue to fight enemies along with new puzzles and secrets. Cloud will have to experiment with his abilities to progress further through his story. Tomee: "Your attention to detail has been extremely good, so, with that being said, please do whatever you can to make this demo something like the final product, not just a free demo." (The Steam Store page is online) What do you think about it? This Week's Gift Pack In this week's gift pack we have included the games... The Goose Game It looks like the time has come to deliver the goose to its destination and that's where the problem begins. It's your task to solve the mysteries of The Goose Game in order to bring one dead goose back to life. The Goose Game is an atmospheric 2D platformer with a lot of puzzle elements. Skullgirls Skullgirls is an awesome 2D fighter, where two fighters are locked in a fighting match. Download the closed beta version of this game and try its new features. In this game, you'll be able to use the special abilities and do awesome combos to fight your opponent. As you know, each week we are giving away games for free. The deadline for submitting a review is the last day of the

The game was created using the android version of Cocos2D-x

Send me any complaints, criticism or questions, to [email protected]"> [email protected] I need you help!

### Description:

If you like mobile games with similar idea to the Bubble Heroes games with your own level you will love this game! With more than 10 game modes (More than 1000), with 130 hand drawn level backgrounds (More than 6000), and 120 sample sprites / beat maps the game has its own atmosphere and many different game modes. This game is addicting and awesome all together! You just need to download this game and stop reading your text and start playing Puffball! The game has an arcade feel to it and feel's fun and fast, yet challenging all the same! And when you get to the higher levels you discover this cute little mouse won't let you go anywhere!! You will have to solve some simple puzzles and avoid all kinds of obstacles and you will need to use many different physics and gravity for your balls. This game has a great "Puzzle Mode" where you score the high amounts of points with as fast as possible which gives you a time limitation of about 30 seconds. You can practice it for hours, also! You play with three...

in 3 easy difficulty

### Key Features:
